

TITLE FULFILLMENT SERVICES

THE BEST IN BACK-OFFICE JUST GOT BETTER!

Gooi's rightsized approach to mortgage fulfillment solutions means you get everything you need, and nothing you don't. From loan processing and underwriting to closing and post-closing services, we deliver time and cost savings

while maintaining impeccable quality. In partnership with WFG Lender Services, we have expanded our end-to-end services to seamlessly include pre-title reports, valuations, home equity, and title and closing services.

Every loan is so important, and together we can help deliver fast, clean, positive outcomes for your clients every time!

PRE-TITLE REPORTING

- WFG's DecisionPoint[®] determines the title clearance timeline with just the borrower's name and property address

HOME EQUITY

- Insured title reports
- Closing and escrow, including curative, scheduling, closing, disbursement and recording

TITLE AND CLOSING

- WFG's comprehensive title services exceed your needs, from legal, vesting and property reports, to title insurance commitments and policies
- Settlement experts coordinate document preparation and execution with your borrowers and WFG's curated panel of signing agents

VALUATIONS

- WFG's Valustrust[™] platform provides customizable technology to make the appraisal process more accurate and efficient
